Konica Minolta Multifunction Printer

Updated: February 2022

For

MacOS™

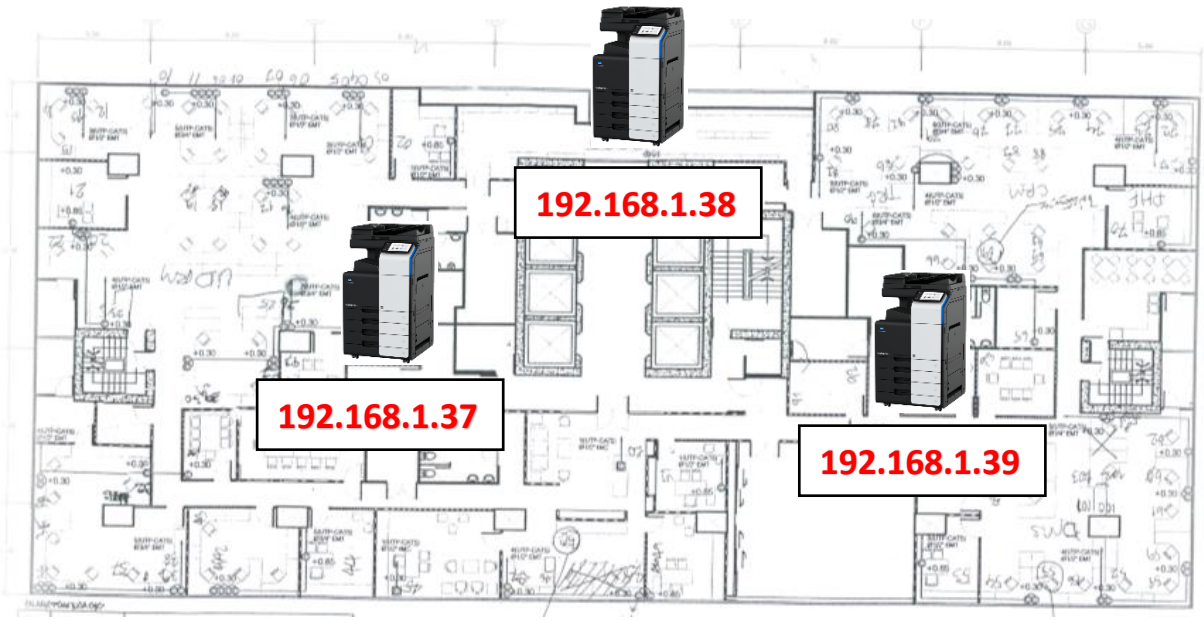
Introduction

Konica Minolta printers are used to provide shared multifunction printer service for ADPC staffs, these printers offer optimum speed and high-quality color printing capability. You can print, copy or scan in color or black & white anytime you need. While these printers will keep record of your print/copy usage for charge cost back to each the project and the department at the end of each month.

Location of printers
We have 3 Konica Minolta printers located at each corner of ADPC Bangkok office.

These printers are identified by IP address as follows;

IP 192.168.1.37 – near URR and CLR area
IP 192.168.1.38 – In library area
IP 192.168.1.39 – near IT room



Cost-charge rate (included cost of paper, ink, rental)
Print and Copy for Black & White = 1.20 THB per page
Print and Copy for Color = 3.90 THB per page
Scan = Free

The following pages will show you how to setup Fuji Xerox multifunction printer on your computer

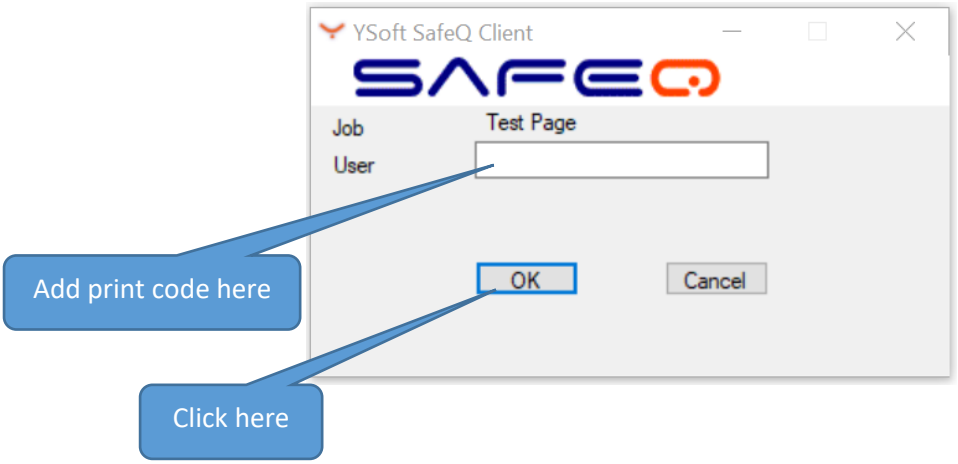
DONE

Enter Print Code

Print code will be required when you print (from computer) or copy (at printer) from Konica Minolta Printers. There are 2 type of print code that you may use;

(1) **Department** print code – This print code will charge back to the department
(2) **Project** print code – This print code will charge back to the project (project manager or admin of your team will coordinate with IT to generate / remove this print code)



Cost-charge rate (included cost of paper, ink, rental)
Print and Copy for Black & White = 1.20 THB per page
Print and Copy for Color = 3.90 THB per page
Scan = Free

If you don't know the print code, please seek advice from your team or check at IT room.

---END---
