

User's Manual Konica Minolta Multifunction Printer

Updated: February 2022

Introduction

Konica Minolta printers are used to provide shared multifunction printer service for ADPC staffs, these printers offer optimum speed and high-quality color printing capability. You can print, copy or scan in color or black & white anytime you need. While these printers will keep record of your print/copy usage for charge cost back to each the project and the department at the end of each month.

Location of printers

We have 3 Konica Minolta printers located at each corner of ADPC Bangkok office.

These printers are identified by IP address as follows;

IP 192.168.1.37 – near URR and CLR area

IP 192.168.1.38 – In library area

IP 192.168.1.39 – near IT room

Cost-charge rate (included cost of paper, ink, rental) Print and Copy for Black & White = 1.20 THB per page Print and Copy for Color = 3.90 THB per page Scan = Free

The following pages will show you how to setup Fuji Xerox multifunction printer on your computer

Setup Printer

(1) Copy driver folder to local C:

Enter Print Code

Print code will be required when you print (from computer) or copy (at printer) from Konica Minolta Printers. There are 2 type of print code that you may use;

- (1) **Department** print code This print code will charge back to the department
- (2) **Project** print code This print code will charge back to the project (project manager or admin of your team will coordinate with IT to generate / remove this print code)

Cost-charge rate (included cost of paper, ink, rental) Print and Copy for Black & White = 1.20 THB per page Print and Copy for Color = 3.90 THB per page Scan = Free

If you don't know the print code, please seek advice from your team or check at IT room.

---END---
